9.21(1) When the deposition is transcribed, the investigator or other officer shall certify on the deposition that the witness was duly sworn and that the deposition is a true record of the testimony given by the witness. Documents and things produced for inspection during the deposition shall, upon the request of the investigator, be marked for identification and annexed to the deposition, except that:

b. If the person producing the materials requests their return, the investigator shall mark, copy, and, at some time prior to the completion of the investigation, return them to the person producing them. The materials may then be used in the same manner as if annexed to the deposition.
